EULEVOTO 2010**

**Hello ladies!**

The closing date for registration is approaching rapidly. If you have not yet registered, you only have 14 days left!!!

In this newsletter, you will find an update on the registration, more information about the fringe program and a search for the venue in 2011.

**Registration**

So far 24 teams have registered for the tournament. There will be participants from the United Kingdom, Germany, Belgium, Poland and the Netherlands. If you have not yet signed up, but do not want to miss this fantastic international tournament, download the registration form from [www.eulevoto.net](http://www.eulevoto.net).

**Fringe program**

For all the ladies accompanying the volleyball players we are organizing a cultural program. One of the activities will be a wine tasting. This is of course more a culinary than a cultural activity. You will be able to taste several different wines under the guidance of an experienced sommelier.

The exact fringe program with additional activities will be posted on our website soon. Should you be interested, you can sign up for these activities by sending an email to [fringe.eulevoto2010@gmail.com](mailto:fringe.eulevoto2010@gmail.com).

**EULEVOTO 2011**

As you are well aware, the European Lesbian Volleyball tournament is a annual event organized by a different club every year. Next year's venue is announced in a festive manner during the party on Sunday evening. However, so far we have not received word from a club willing to organize next year's tournament. So... if you and your club really enjoy the EULEVOTO tournaments and cannot wait to welcome a couple of hundred women to your town, please announce your candidature to us by sending an email to:
